Project: Langley Neighbourhoods Coalition

Host Agency: Aldergrove Neighbourhood Services Society

The Langley Neighbourhoods Coalition offers many programs in the Aldergrove and Langley communities, including specific services for families of Aboriginal decent and Spanish speaking families. This includes, but is not limited to: parent-child drop-in programs; family resource support groups; occasional facilitators and guest speakers; peer support; parent education, workshops, crafts and recreational activities; personal and life-skills development programs; and culturally-based activities. Please contact the program in your community to find out more about what they have to offer.

Project: Family Initiatives Program
Host Agency: MOSAIC

The Family Initiatives Program coalition offers a variety of programs out of its two member agencies. The calendar is typically separated into three terms, with programs running throughout the fall, from January to June, and again in the summer months. The coalition offers parent support groups with family resource programs for immigrant and refugee mothers and fathers accompanied with play-based quality care and education programs for their children under 6 years of age. Other programs/services offered are parent community resources, referrals, settlement information and support, some interpretation, and cultural celebrations. Monthly guest speakers from a wide range of organizations and agencies present to the families on topics relevant to children's health and development, women's health, parenting, healthy living practices and various Canadian settlement topics. Programs are offered in English, Korean, Somali and Vietnamese.

The Children's Program Directory in BC/Yukon region is a provincial resource listing of AHS, CAPC and CPNP programs funded by Public Health Agency of Canada. The publication is based on data available at the time.

Please ensure that staff should first contact program coordinators before referring a family to ensure that the program is still operating.
